FOREWORD

This directory is an update of previous editions and list of sand and aggregate operating quarries in the Republic of South Africa.

The mines are grouped according to provinces. Names of quarries, their owners, postal addresses, telephone and fax numbers, commodities mined, operational status, type of mine, magisterial district, province and location are shown.

Thanks are due to various staff members of the Directorate Mineral Economics who contributed to the update of the information.

November 2015

Mr Ray Masetlana
Director
